Coaches please be prepared for this.\*\***

Athletes/Partners will be divisioned and compete against other Athletes/Partners within their age group for individual events and will be awarded within their division.

**IMPORTANT: Coaches need to practice their athletes/partners individual events and relay's consistently, to provide accurate times when submitted their final qualifying times for each event by the Summer Games Problem Sheet Deadline of April 28, 2023.**

ALL RELAYS will take place at the very beginning of each shift. Therefore, all Athletes and Unified Partners **MUST** be present and ready to compete by the check-in time listed per each shift, or that relay team(s) will be scratched from competition. Remember, start time is scratch time. It is very important that all relay teams be present in order for the rest of the competition day to stay on time.

SOGA and the GOC ask for you to understand that we might need to make more adjustments in potential start times for the swimming venue. The schedule times per event(s) is not concrete and will fluctuate, due to events being timed events. It is impossible to predict exact start times for events that rely on the time it takes athletes to swim their events. We ask that you be patient and know that we are making every stride to create the best experience for all our athletes, coaches and families!

**REMEMBER – The times listed below are estimated, not exact. Please make sure your athletes are prepared to compete at the listed time but understand there could be some delay's. Please be sure to arrive prior to the scheduled start time of the event so your Athlete(s) are not scratched!**

# **INCLEMENT WEATHER PLAN**

Pre-printed posters with the SOGA logo will be affixed to walls in the ESC (meals), the Woodruff PE Center, the Nerve Center, and in the lobbies of each residence hall. If it becomes necessary to modify schedules due to inclement weather, we will make the necessary changes, get those changes printed out, and add that information to these pre-existing posters.

**Opening Ceremony/Dance:** Will be moved from McDonough Field to the main gymnasium in the Woodruff PE Center.

**Swimming, Volleyball, Cheerleading, Gymnastics, Table Tennis venues:**

These indoor venues will not be affected by inclement weather and will run as scheduled.

**Athletics events:**

If hard, persistent rain or dangerous conditions exist, the announcer will ask everyone to move into the PE Center. Please move away from the doors and move up onto the 2nd & 3rd levels of the building to allow everyone space to get into the building, away from the Aquatics and Volleyball Venues.

As soon as a decision is made as to when events can begin again, an announcement will be made inside the PE Center either by PA system or bullhorn. It is important that your group stay together so that you do not miss any announcements.

**Tennis events:**

Move into the 4th floor indoor Tennis Courts and await further instruction. A decision will be made as to the condition of the courts and what recovery time it will take to make the courts safe and playable. An announcement will then be made inside the PE Center either by PA System or bullhorn. It is important that your group stay together so that you do not miss any announcements.

**Soccer & Flag Football events:**

In case of rain only, the soccer and flag football competition will continue to be played. If there is lightning, the competition will be stopped and buses will be dispatched as quickly as possible to transport you back to the PE Center bus stop. If you have your own transportation at the venue, we ask that you return to your residence hall. The PE Center will already be packed with folks ... and simply can't accommodate soccer and football participants as well. Check the inclement weather posters in your residence hall lobby for revised schedules. They will be posted as quickly as possible.

LETR Presenting Sponsor:

Each year, law enforcement officers from around the state raise money for Special Olympics Georgia (SOGA) by conducting the Law Enforcement Torch Run (LETR). From January through August, officers raise funds by selling merchandise and holding fundraising events for the honor of being a Guardian of the Flame in the Torch Run. The top five money raising departments run the 'Flame of Hope' into the Opening Ceremony where the top fundraising department lights the Cauldron to signal the beginning of the State Games. Through the combined efforts of hundreds of law enforcement volunteers throughout the State, LETR contributed over \$1.2 million to Special Olympics athletes in Georgia in 2022. Please help SOGA in applauding the efforts of our Law Enforcement Officers as they join us for the Opening Ceremony.
